Tanglin

# BUDDHA TOOTH RELIC

The Buddha Tooth Relic Temple and Museum, located in the heart of Chinatown, is one of Singapore's most iconic religious and cultural landmarks. Built in 2007, it showcases traditional Tang Dynasty architecture and houses a sacred relic believed to be the left canine tooth of Buddha, displayed in a stunning gold stupa.

Apart from its religious significance, the temple also serves as a cultural museum, featuring Buddhist artifacts, statues, and exhibits across several floors. Visitors can explore beautifully decorated prayer halls, a rooftop orchid garden with a prayer wheel, and join in various religious ceremonies held throughout the year.

## TIPS ON Some more places It to visit

1

### Art Science Museum

an iconic cultural landmark that explores the intersection of art, science, culture, and technology

2

### Singapore Zoo

A 28-hectare wildlife park renowned for its 'open concept' design, housing over 4,200 animals across more than 300 species in naturalistic habitats

3

### Universal Studios

Southeast Asia's first and only Universal Studios theme park, featuring 24 rides and attractions across seven themed zones, including Hollywood, New York, and Sci-Fi City.

- Hainanese Chicken Rice
- Chili Crab
